*This confirmation letter is electronically generated by the Reportnet system and therefore not signed. According to the WISE Reporting Arrangements agreed at the WFD Regulatory Committee in March 2007, this cover letter is generated to be printed and sent officially to the European Commission as proof of reporting delivery.*

*This confirmation of receipt does not guarantee the completeness and/or the quality of the data. In a subsequent step the Commission will perform a completeness check and a more in-depth QA/QC of the data which can result in a request for resubmission. The potential request for resubmission will be communicated to the data reporter through Reportnet-CDR. In order to receive the notification of the action automatically by email, it is strongly recommended that the data reporter is subscribed to the CDR notifications in Reportnet.*
